At this week's parties, we saw prints on prints. Shanina Shaik, Anna Wintour, and Ally Love all wore florals, and Sofia Coppola wore a classy polka-dot dress to the Ballroom Marfa Gala in New York. The Olsen twins, on the other hand, stayed true

to their classic neutral looks: Ashley wore an oversize white number with a slouchy black bag, whereas Mary-Kate paid homage to the old Celine. Who wore the best look? Scroll to see everyone below.
